

JUNIOR CHAMBER GROUP TO VISIT STUART TUESDAY

Charter Presentation Will Be Feature of East Coast City Meeting

At the regular weekly meeting of the Pahokee Junior Chamber of Commerce held Tuesday night in the Legion pavilion it was unanimously voted to attend the chapter presentation of the Stuart chamber on Tuesday night of next week. Present plans call for more than a dozen of the Pahokee organization to attend the meeting in the East Coast town.

Plans were perfected at the meeting for a genuine get-together meeting to be held in the Legion pavilion on Tuesday night, Oct. 26 at which time a turkey dinner will be served to visiting Jaycees from Okeechobee, Vero Beach, West Palm Beach, Stuart, and Fort Pierce. Special entertainment is being planned for the meeting and officials of the Pahokee organization are planning for one of the biggest nights yet enjoyed by sixth district Jaycees.

At the Tuesday night meeting a report was made by B. Elliott, chairman of the highways committee, in which he stated that the plan for a road direct from South Bay to Bacom Point was being discussed by many interested residents of the South Shore town. Already they have shown their interest and offered their co-operation in furthering plans for completion of the road.

Heretofore no drive has been made for any of the above roads.

majority organized chamber but upon suggestion of John Dulany, chairman of the attendance and membership committee, it was voted by the club to go after live members. It was pointed out at the meeting that there are dozens of young men who would make good members if they were invited to join. Representation of very business house is ~~indicated~~ the aim of the organization. Dues in the chamber are a minor consideration since a year's membership only amounts to \$6.00. Live, active and progressive young business and professional men are asked to join the body. The active membership now stands at 24.

LAPP SPEAKS AT ROTARY MEETING

33 SHOPPING DAYS

After today there will remain only 33 shopping days until Christmas and Glades residents should make the most of the remaining time. Merchants in Canal Point, Pahokee and Belle Glade will soon have their Christmas merchandise on display and prices are sure to be in keeping with those in larger cities.

Merchants in the Glades this year promise shoppers the very finest array of merchandise that can be bought anywhere. Heretofore Christmas buying has been heavy during the days immediately preceding the holiday but this year it would be wise for those who plan heavy purchases to choose their gifts while stocks are full and complete.

GIVE US A HOME!

Continued from Page one
for scores of homeless boys and girls, from six to sixteen years of age. Most of these boys and girls come from the rural sections of the state, and would feel more at home in the country or in smaller villages and towns, but many are accustomed to the city and will welcome a good home in any place they can find.

All are normal healthy children. All are anxious to have new homes, new parents, a new start in life.

Many come to the Home Society because of death and desertion of parents. Others come to the Home Society because of neglect and mistreatment of parents. All are now utterly homeless, separated legally and permanently from their parents, and looking for a chance to be loved and cared for.

Many are old enough to do odd jobs in and out of the house, in exchange for a good home and reasonable schooling.

The Home Society will give full information concerning the family history of the child and in regard to the child's health, habits, disposition, etc., and will send one of its representatives to any home in Florida to give complete information as to how to secure a child, etc. All children are placed for a full year on approval, before any permanent arrangement or adoption is expected.

Will you take a homeless boy or girl into your home? If so just drop a letter to Marcus C. "Daddy" Fagg, State Superintendent of Children's Home Society of Florida—428 St. James building, Jacksonville, Fla., who will gladly send you full details, or you can visit any one of the receiving homes at Jacksonville, Lakeland, Pensacola or Miami and select the child you desire. These homes are open to visitors every day—every hour.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take two or three tablets the first night and repeat the third day if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal eliminators.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of old poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical—only twenty-five cents per box and only one cent for the trial package. (Adv.)

SOUTH BAY NEWS

CLUB MEETING

Mrs. Edith Y. Barnes, county home agent, and Mrs. L. T. Crick, president of the County Home Demonstration Club, spent Thursday afternoon in South Bay attending the regular monthly meetings of the Women's Home Demonstration club and the Junior and Senior 4-H clubs.

Mrs. H. C. Willis, president, conducted the meeting of the women. Mrs. F. W. Mutchler, chairman of handicraft, had on display a number of hand woven tapestries to be utilized as pocket books and scarfs which have been woven by members on the Demonstration club loom, which has been in South Bay for the last month. Next month it will be taken to another club and by the end of the year each club in the county will have had the loom for one month for the use of those interested in this handicraft.

The South Bay club is to be the first in the county to put on a series of amateur plays to be sponsored by various clubs for the benefit of the County Council to finance the spring and summer camp. Members of the club will put on two one-act comedies entitled, "Kunt Beth Roberts" and "Saidie, the Cat." The Military Trail club has requested the date of November 22 and that date was accepted by members of the club, namely Mrs. H. C. Willis, Mrs. S. E. Campbell, Mrs. C. E. Forbes, Mrs. W. H. Rawley, Mrs. J. W. Rashley and Mrs. F. W. Mutchler. Mrs. Ned Kocher will coach the plays and Mrs. G. J. Barstow will act as business manager.

Mrs. Willis announced the monthly topic and leaders for the year. In September, Mrs. P. E. Goodbread had the topic, "Food Nutrition." In October, Mrs. W. H. Rawley, leader, had the topic, "Home Gardens." The December topic will be, "Home Canning and Preserving," discussed by Mrs. W. H. Rawley. The topic, "Poultry," will be discussed by Mrs. S. E. Campbell. "Marketing" in February, leader, Mrs. G. J. Barstow. "Exterior Improvement" in March, Mrs. Maude Hartline. "Beekkeeping" in April, leader, Mrs. M. D. Hardy. "Interior Improvement" in May, leader, Mrs. F. W. Mutchler. Mrs. G. J. Barstow displayed a number of handicraft articles suitable for Christmas gifts and pattern were made available.

Others in attendance were Mrs. H. J. Hardy, Mrs. W. H. Rawley, Mrs. Maude Hartline, Mrs. M. D. Hardy, Mrs. A. B. Barnes, Mrs. S. E. Campbell, Mrs. G. J. Barstow, Mrs. F. W. Mutchler, Mrs. P. E. Goodbread, Mrs. J. W. Rashley. The Senior 4-H club was in charge of Mrs. Barnes, Mrs. Crick and Mrs. W. H. Rawley. The twelve regular members were present and five new members were taken into the club, namely, Lucille Bloch, Naldred Henderson, Edna Myrtle Henderson, Mary Louise Mitche, and Lila Marie Bloch.

Announcement was made of the

County Council to be conducted in West Palm Beach on Nov. 23 and 24. Marguerite Barnes was elected official council delegate. A committee consisting of Mary Louise Mitchell, Mary Louise Jeffries, Betty Rawley and Martha Register was selected to complete the program for the year, the main topic of which is to be "Canning." A report was made of sending a jar of okra to the county elimination canning contest. The flower committee consisting of Mary Louise Mitchell, Betty Rawley and Gwendolyn Brown reported furnishing flowers for the Senior County Council meeting which convened here in October.

JUNIOR 4-H CLUB

The Junior 4-H club was conducted by Louise Walker, president, under the guidance of Mrs. Barstow and Mrs. P. E. Goodbread. Mrs. Crick assisting. Lucille Barnes was elected official council delegate. The members worked on their pot, hats and also cut patterns for toys to be made as Christmas gifts. Many of the members reported gardening started. Fourteen members were present.

LOWER BRIDGE

The State Road department, under the direct supervision of E. L. Devane of Lake Worth, has a crew of thirty men, two trucks and a Buffalo Springfield compact road machine weighing seven tons, at work cutting down the bridges on State Road No. 25 in the sector. Each bridge is being lowered from four to eight inches to make it level with the highway which has settled to that extent. It is understood that this third time some of these bridges have been lowered, showing how much a nick grade will settle under constant use. The crew is doing an excellent piece of work and the highway is being much improved. It is understood that State Road No. 25 is to have a rock grade which will do away with much of this settling.

Mrs. J. S. Aly chaperoned a group of girls on a picnic hike out on the lake on Monday afternoon. Elsie Mae Willis, June Goodbread, Mary Louise Mitchell, Louise Rawley and Edith Aly enjoyed the outing. The Misses Bettrice and Lara Corbett and Miss Beth Hamrick attended the football game at Pahokee.

Mrs. and Mrs. W. H. Rawley, Leona and Betty Rawley, Mr. and Mrs. C. E. Forbes, Patricia and Pearl Forbes, John Dillow, Earl and Paul Dillow and Paul Loney, Mrs. J. D. Huffstetter and W. S. Cross of Belle Glade visited Mrs. D. C. Powell on Monday.

Refreshing Relief

When You Need a Laxative

Because of the refreshing relief it has brought them, thousands of men and women, who could afford much more expensive laxatives, use Black-Draught when needed. It is very economical, purely vegetable, highly effective. Mr. J. Lester Robinson, well known hardware dealer at Mantholite, Va., writes: "I certainly can recommend Black-Draught as a safe medicine. I have taken it for constipation and flatulence and it has done me good in a very satisfactory manner."
